Top view of the machine showing internal components and wiring. The diagram includes labels for various parts: HMI PLC3001, EC1, EC2, EC3, EC4, PB3101, PB3101.3, PB3104, ROW 1 LAMP POWER SUPPLIES, and ROW 2 LAMP POWER SUPPLIES. The layout shows a central control area with two rows of lamp power supplies and a central control unit with multiple input/output ports.

Bottom view of the machine showing internal components and wiring. The diagram includes labels for various parts: HMI PLC3001, EC1, EC2, EC3, EC4, PB3101, PB3101.3, PB3104, ROW 1 LAMP POWER SUPPLIES, and ROW 2 LAMP POWER SUPPLIES. The layout shows a central control area with two rows of lamp power supplies and a central control unit with multiple input/output ports.
